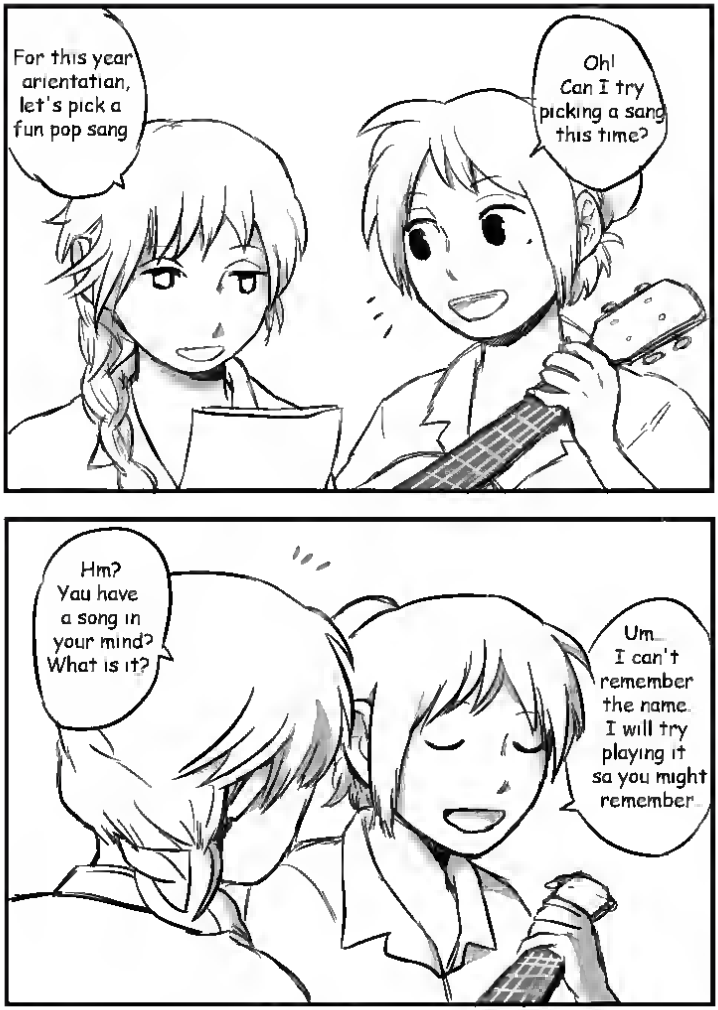
Love you without hiding. My heart is open wide
This rounded world is big but cannot hide my feeling at all
Say what I think I want to share the truth from my heart to you

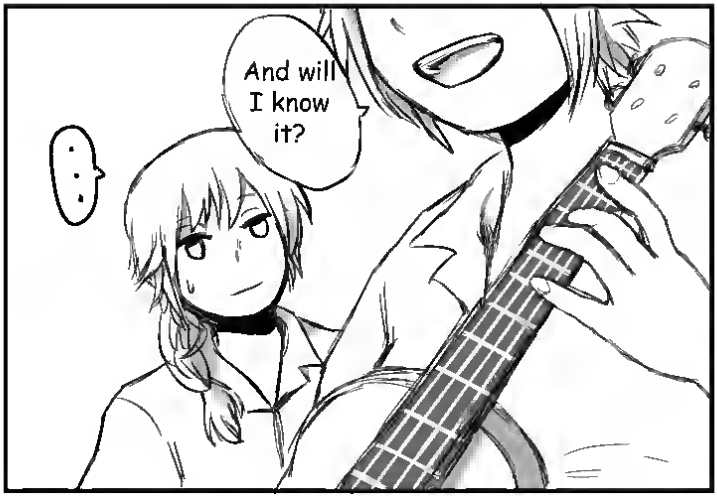
Hey... I have been looking for a new song for a while...



For this year orientation, let's pick a fun pop song
Oh! Can I try picking a song this time?
Hm? You have a song in your mind? What is it?
Um... I can't remember the name. I will try playing it so you might remember

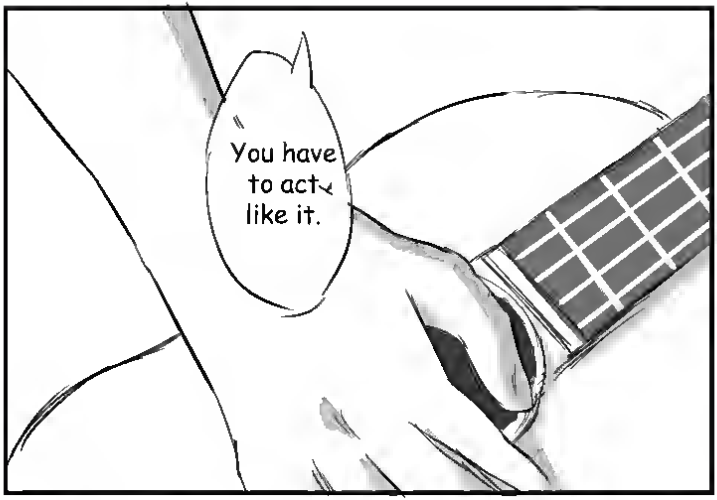
If this love.

Don't say
Don't talk
Don't speak



And will I know it?

Maybe it's not real...
...If you want me to know



You have to act like it.

Not just sing a song to tell me.

Something like that
You know..
Ouch !!
Go play by yourself!!
